PALO PARADO ROAD COMMUNITY UPDATE MEETING AT THE RIO RICO COMMUNITY CENTER

The Baca Float Coalition, Inc. will hold a Community Meeting on **Wednesday, March 17, 2010, at the Rio Rico Community Center, 391 Avenida Coatimundi (next to the fitness center) at 6:00 p.m.** The purpose is to update residents on Palo Parado, the current project, and the proposed road and bridge project. County Manager Greg Lucero and Leonard Fontes of CPE consultants will provide information on County efforts and what the project requires to carry it to completion.

Representatives of Congressman Grijalva and Congresswoman Giffords offices will be in attendance and explain the process for funding requests and the efforts of our representatives to obtain the necessary Federal funding to complete this important public works project. Their efforts are vital to our success in getting these funds for the county to move forward with the long promised bridge for public safety, economic benefit to residents, and improve access to schools, and businesses.

Everyone is invited to attend, learn and ask questions.

If you want more information about the meeting call Co-Chairs Kathi Campana (520) 313-4153 or Ken Hallock (520) 444-5787
